

## ***Huge Step of Faith for Mt. Hope Bible Church***

## **Down Payment Made-Documents Signed!!!!**

**Earlier this month Mt. Hope Bible Church had the exciting opportunity to sign documents and make the down payment for the "Mt. Hope Forever Home!" The church family is very excited to have taken this step of faith. We were able to pay half of the agreed upon price, and are forging ahead in raising the rest of the funds. We appreciate your prayers for the upcoming Easter Monday Football (soccer) tournament we will host as our next fundraiser, April 2nd. The church body will work together to host, organize 16 plus teams for the tournament, kids activities, and prepare oodles of food for sale- all while sharing Jesus with our community!!**

**Sunday School is going well, our friends are growing in their understanding of where they came from as a precious creation of God, the authority of God's Word, and the need for a Savior from our inherent sin. Please pray for other Sunday School Teachers to be raised up to share the teaching responsibilities.**

These are the cakes, cupcakes, & packages our church family created and sold for the Valentines Fundraiser! Cakes & frosting for days.... we sold out of everything!

We are praising Jesus for these girls and smiles! For four weeks, all four of us fought the highly contagious and nasty bacteria HPylori. It was a trial of many kinds with unknown origin, repeated medical testing and appointments to get the root cause, and allergic reactions to several antibiotics. BUT PRAISE JESUS- we are on the mend. We praise God we were able to get the

treatment we could. We are doing much better now, and are praying for strengthened immune systems and health! Will you pray with us?

**Photo Above:** Pastor Allison bike riding 20 miles round-trip with a handful of young men to a nearby community. This has become a regular occurrence on Saturdays, and Allison

is convinced that although the "young men" see him as their own ages, he has a few more aches and pains when the rides are finished!

**Left Photo:** Our ladies Bible Study last month had 18 women in attendance as we learned about being committed to the Lord in all our ways! Awesome to see the ladies growing in faith and unity. This month, one lady brought tamales as snack and another had riveting games to share after we studied "taming our tongue"!

**Right Photo:** We asked for prayer for baby Devon, one of the two premature babies born to young moms we know. Thanks for praying!! For someone who left the hospital at a little over 3lbs, he is now over 7lbs and recently passed his original due date with health and strength! That's answered prayer!

**Since our last update, \$3,000 US has been pledged towards the purchase of the church's forever home. We are down to \$17,000 US as our goal! Would you like to help us meet this goal? Click on the**

**link below and make note it is towards the "land purchase" and we will see it gets there!** <https://worldoutreach.org/index.php/donate>

Chiara's preschool class is really in need of some fresh gently used toys. Do you or someone you know have some toys you'd like to send our way? There is a shipping company we use located nearby. If you are interested in more details please email [heatherinbelize@gmail.com](mailto:heatherinbelize@gmail.com)
