

26th Annual: A Festival of Lessons & Carols

Sunday, December 8 at 4 pm • Monday, December 9 at 7:30 pm

Christ Church's Lessons and Carols, inspired by an Anglican tradition created in England in 1880, has a special focus: the majority of the carols are from Celtic, African-American or Shape-Note traditions. The musicians play a wide range of acoustic instruments to accompany vocal soloists and ensembles.

The event is anchored by parishioners John Kirk and Trish Miller of Greenfield Center. Christ Church welcomes friends, neighbors, and the wider community. The performances provide a perfect opportunity to invite people to experience our church. The candlelight concerts are free and all are invited to a festive reception afterward. |
