SUNDAY SCHOOL

Fr. Roy, along with the Sunday School Leadership Team, have decided to start our 2021 - 2022 Sunday School Program using a virtual format. We will review and perhaps adjust this format in January 2022. We miss meeting with our Sunday School children in-person, and hope to do so as soon as possible. You can find more information about courses and registering your child below.

Pk- Grade 4 Our youngest students will be following a format similar to last year. Classroom leaders will be sending home materials and providing guidance to parents on how to best complete those materials. We also hope to meet with these students virtually, at least once per month. Anne Sweet will be leading the Pk-K class, Donna Lanning the 1-2 class, and Katie Skanes the 3-4 class.

Grades 5 - 8 Our middle school students will be meeting virtually, at 9am on Sundays. This class is led by several parent volunteers: Rachel Nortsworthy, Corey Ott, Anne Sweet, Donna Lanning, and Katie Skanes. We will be following our lectionary readings, leading a discussion about those readings, and sometimes completing a short activity with the students.

Grades 9 - 12 Our high school students continue to meet virtually with their leader, Don Rohr. Don has been leading the high school students through different Bible studies and programs.

As always, volunteers are welcomed and needed! If you are interested in helping with any of these programs, please let Fr. Roy or Katie Skanes know. You can join any of these Sunday School Programs by clicking the link below, emailing Katie Skanes at mkcb.skane@gmail.com, or calling the church office at (518) 885-1031. We look forward to continuing our Christian Education studies with our Christ Church families.
